Alpha provides solutions for all aspects of communication and power supply for electrical networks, as well as complete engineering systems for specific applications.

Alpha Innovations is a Belgian manufacturer that specializes in customized power solutions, offering a wide range of DC power systems tailored to meet the specific needs of various sectors.

Combining power supply and UPS in one compact unit, it ensures reliable DC ...

Features Technology : Switching power supply Adjustable DC power supply Input voltage : 230V AC 50Hz Output voltage : 0~30V DC adjustable Output current : 0~10A DC adjustable Fan cooling ...

This digital DC power supply has maximum output voltage of up to 30 volts and current up to 1.6A amps or 12V at 4A. It is a highly integrated power supply that ...

MIDA is a leading manufacturer of EV charger, focusing on providing safe and stable products. Main products are: AC EV charger, DC EV charger, EV charger ...

Discover versatile portable power stations with AC outlets, USB ports, and DC outputs. Perfect for camping, emergencies, and outdoor adventures.

Configure your product Select a reference Type AC/DC AC/2xDC Selected referenceISOSEC1 Quantity Add to my quotation Download (ISOSEC.pdf) Download (ISOSEC_en.pdf) Selected ...

Our linear stabilised DC power supplies are transformer/rectifiers, with linear voltage stabilisation inserted downstream. This gives them all the advantages of transformer/rectifiers, as well as a highly ...
