This comprehensive residential project integrates architecture, interior design, décor, and landscape architecture to create a modern, minimalist home that exudes warmth and invites connection with ...

IN DESIGN AND REAL ESTATE, some things are just meant to be. Andy Gilon and Astrid Alves were so enamored with Coconut Grove's Rock House, the name renowned architect Max Strang gave to ...

The shift expresses itself in a new design language for the coast. Now, homes are more porous and adaptable at ground level and heavier at the core--they hold where they must and yield where they ...

STRANG is a Miami-based design firm renowned for advancing the principles of Environmental Modernism in extraordinary locations around the world. This concept, dubbed by the firm, reflects ...

With a commanding 180-degree view of the Atlantic, this villa emphasizes the importance of the outdoor lifestyle by prioritizing the design and placement of its covered terrace.
