Detailed profile including pictures, certification details and manufacturer PDF.

The GCL Solar N-Type 615W Bifacial Solar Panel (GCL-NT12R/66GDF-615W) features high efficiency (22.95%), advanced N-type mono-crystalline cells, and ...

This ranking is one of the most important in the photovoltaic industry, as it reflects the bankability of manufacturers--a key criterion for ...

This panel takes full advantage of the Passivated Emitter Rear Contact (PERC) technology that allows it to capture up to 12% more energy. All ...

GCL has not only ended China's PV industry dilemma of "two ends abroad", but is now playing an important role in promoting the use and the large-scale ...

Detailed explanation of the core rules for the export of photovoltaic modules, including HS classification (assembled modules under 8541430000), ...

The export profile is equally robust, featuring 10 distinct categories: from ships and vessels to vehicles; medical-care and epidemic prevention materials; electronic, home appliances, and lighting products; ...

The company is located in Hefei City, Anhui Province, which is one of the main production bases of the photovoltaic industry in the world. We are world-renowned manufacturer and supplier of solar cells, ...

Professional GCL energy storage system consisting of a 3-phase hybrid inverter type EVO-EU-HVI-10P3 in combination with modular LiFePO4 high voltage batteries type EVO-EU-HVP-4kWh. A total of 10 ...
