Established in 2002, HighJoule (HJ Group) is a leading and professional energy storage company in China, dedicated to providing efficient, intelligent, and green ...

The company operates advanced energy storage factories with a total capacity of 4GWh. These facilities include automated Pack, PCS, and system integration lines.

By harnessing solar energy, combined with battery energy storage and an intelligent energy management system, we provide reliable and sustainable ...

HMX Energy Co., Ltd. is a leading technology company specializing in the design and production of Battery Energy Storage Systems (BESS), including container energy storage systems, portable ...

Huijue Group offers industrial and commercial energy storage, PV-BESS -EV Charging, Off-grid / On-grid Microgrid, telecom site solutions, and home solar energy storage, ensuring reliability, efficiency, ...

Containerized energy storage is an Advanced, safe, and flexible energy solution featuring modular design, smart fire protection, efficient thermal management, ...

Intelligent operation enables cell-level monitoring via BMS/EMS integration, supporting multiple operational modes including peak-valley arbitrage, demand charge management, and backup power, ...

TLS Offshore Containers / TLS Energy is a global supplier of standard and customised containerised solutions with 400,000 square meters manufacturing ...

The turnkey installation--comprised of 180kW of solar PV, 645kWh of battery energy storage and a 150kW industrial off-grid inverter--now supplies ...

Intelligent container energy storage factory

Huijue's Industrial and Commercial BESS are robust, scalable systems tailored for businesses seeking reliable energy storage. Our solutions integrate seamlessly into large-scale operations, supporting ...
