# Off-grid solar-powered container for port applications

Discover solar powered shipping containers with 10-50KW off-grid systems, lithium batteries & 25-year capacity guarantee. Ideal for solar powered AC and cold storage.

Our 20 and 40 foot shipping containers are outfitted with roof mounted solar power on the outside, and on the inside, a rugged inverter with power ready battery bank.

This article aims to investigate the viability of reaching off-grid operation with reasonable thermal comfort for a container home within five different climates in China.

What is LZY's mobile solar container? This is the product of combining collapsible solar panels with a reinforced shipping container to provide a ...
