7. We key up and talk to each other using P25 over the Internet via the hotspot. No physical P25 repeater required. So my question is, what did I miss, how wrong is this, and if I am ...

Hey everyone! So I recently got back into my SDR and radio hobby and was looking for a good way to scan my local PD/Fire without the need for a dedicated scanner. I had my old RTL ...

NYSTA has signed a contract with L3Harris to build out the proposed P25 700/800 system over the next 3 years. "Muller said the P25 deployment is expected to take three years. The ...

Hi, I'm trying to listen to my local police, I have a BAOFENG UV-5R but its analog? and my police use digital P25? I also have 2 RTL SDR USB dongles...

Do most P25 amateur repeaters make use of multiple talkgroups? I assume to Motorola Quantar is the common P25 repeater. Are most configured to work mixed-mode, both analog and ...

Good Morning. I have been listening to scanners since 1974. Starting with my first one the Electra Bearcat IV 8 Channel crystal radio in1974. Then my first programmable was a Uniden ...

Listen to P25 You can use NAC F7E for listening, and it will open the squelch regardless of the actual NAC for that system. I use a XTS3000 with transmit inhibit on and F7E for receive and ...

P25 announces its "channels" that are available via a few forms of Identifier Update, iden_up, for short. The iden_up command will contain information to tell us what channel its relaying ...

Can someone please explain the difference between a P25 One-Frequency Trunk system and a P25 conventional channel? Does the 1 Tr system have a control channel?

Also, in his original topic heading, the OP asks "how many dongles do i need for P25 Phase 2?"

P25 solar container outdoor power

The number of dongles is irrelevant to receive P25 Phase 2 as that is handled by ...
